STATEMENT OF FACTS

On October ^{HAL}3, 2007, at approximately 1730 hrs, Jose Francisco Garcia, a United States citizen and national, entered the United States from the Republic of Mexico at the Tecate Port of Entry. Garcia was the driver and sole occupant of a blue 1992 Isuzu Impulse bearing a California temporary operating permit, permit number 706867S. The vehicle was referred to the secondary inspection area where 8 packages containing approximately 12.05 kilograms of a crystalline substance were found concealed in a non-factory compartment in the rear bumper of the vehicle. A presumptive test of one of the packages revealed a positive reaction to the presence of methamphetamine. Garcia was arrested and charged with violation of Title 21 USC 952, 960, Importation of a Controlled Substance, and was booked into the Metropolitan Correction Center, San Diego, CA.
